

10 Budget Caribbean Islands

Posted: 11-29-10 07:24 AM

The Caribbean isn't exactly known to be cheap, but you can stretch your dollar pretty far on certain islands - even when traveling during the winter high season. Popular hot spots like the Bahamas, the Dominican Republic, Puerto Rico, and others offer great value in terms of easy access and well-priced lodging and dining options. But some off-the-beaten-path islands, from Montserrat to Tobago, are also worth seeking out for the extraordinary bang for the buck that they provide. Check out ShermansTravel.com's picks for budget Caribbean islands, guaranteed to leave you with enough cash left over to dole out on those frothy, beachfront piña coladas once you touch down!
